1

My school wants kids and  
adults to wear masks. Masks  
come in all different colors.

Wearing a mask helps prevent  
us from spreading germs.

Wearing a mask might feel  
uncomfortable at first.

4

When I put on my mask,  
I should make sure it is  
covering my nose and mouth.

5

Some masks have elastic that  
loops around a person's ears  
and some tie in the back.

6

Even though I am wearing  
a mask, I can still have fun  
at school!

7

I can ask my teacher if  
I need help with my mask.

Wearing a mask at school  
is different.

9

I can handle this change. We  
all hope that Coronavirus goes  
away soon and we won't  
need to wear masks for  
much longer.
