

# I Can Go Potty!

Using the bathroom is something new...  
**But I Can Do It!**

First, I pull my pants and underwear down.  
Then, I sit on the toilet and try to go pee or poop.

I can read a book, sing a song or listen to music while I use the bathroom.

When I'm done, I get toilet paper  
and wipe my bottom.

After I wipe, I put the paper in the toilet, pull my pants up and flush.

Last, I wash my hands and I'm done!

When I go potty, I feel so proud of myself!  
And my mom and dad will feel proud too.
